From

To

The Secretary to Government
of His Highness the Maharaja of
Mysore, Revenue Department, Bangalore.

Sir,

I have the honour to state that District Boards have been advised to entertain each an extra Compounder to be available at the District Head Quarter Hospital to be sent on releiving duty whenever any of the Compounders attached to the Local Fund Dispensaries in the District have to be granted leave on account of sickeness or other cause. Such relieving compounders have already been entertained by the Kolar, Tumkur, Mysore, Hassan, Shimoga and Chitaldroog District Boards under Government sanction, Kadur being a very unhealthy District with 19 Local Fund Dispensaries the question of entertainment of a Relieving Compounder for that District has been for sometime under correspondence between this office and the District Board which at its meeting held on 24th September 1921 is reported to have expressed its inability to find funds to meet the pay of the hand however useful his employment may be.

As the services of a relieving Compounder are absolutely necessary for this malnad District, I request early sanction to the entertainment of one as an extra hand on the establishment of the District Hospital, the charge for the seven months of the current year (at Rs.20 plus 5) Rs.175 being met from the

Returned with compliments duly verified. The extra cost involved by the proposition is Rs25/- per mensem or Rs300/- per annum.

The Senior Surgeon proposes to meet the charges on this account during the current year out of the proposition of Rs180/- made for grants to "Church of England Zenana Mission Hospital, Chennapatna" as he anticipates no charges during the current year under this head. Whether it is on account of the discontinuance of the grant given to the hospital or on account of the temporary postponement of the payment is not explained. If it is due to discontinuance, it is not understood how the grant was allowed to be repeated.

Senior Surgeon is willing to bear from State funds. If it is true that the extra cost to be borne by Govt is bound to be little, it is preferable to move the Dt Board again to reconsider their decision & meet the charge; curtailing their expenditure in any other direction possible. The Commander will be an extra hand in the Dt Hospital with work to do & it is not desirable that Govt should be required to pay him for services which they do not want but which is proposed to be retained to meet a contingency for which they are not responsible.

The Senior Surgeon has indicated the source to meet the cost but it is a point for explanation as to why this item was included for, when there was no anticipation of any expenditure in that direction during the year.

The Finance Dept ... agree to a diversion of State funds to meet extra charge which may be a legitimate charge against Dt Fd
